Dear Mr. Maltz,

It is not often that I am compelled to write a letter such as this, but I feel I would be remiss if I didn't tell you, Tommy Q. and the rest of your staff how pleased we were with the way you handled our automobile auction. Suffolk Regional Off Track Betting Corporation has participated in many auctions in the past, but never have we encountered such a knowledgeable, professional and courteous staff as yours. Your hospitality is also second to none.

The prices we received for our vehicles far exceeded our expectations. You are truly a man of your word, and I look forward to working with you for many years to come. Please feel free to call upon me should you ever need a reference.

Sincerely,

Jeffrey Berger
