Dear Tricia and David:

Thank you so very much for serving as our auctioneers at the Rainbow of Hope for MS event. It was truly wonderful of you to take us on at such a late date. As you know, the auction was a tremendous success and an exciting part of the evening.

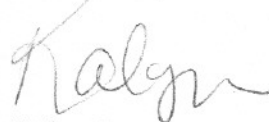

Because of the support we received for the Rainbow of Hope, research operations in our new facility will start with an excellent financial foundation that will enable us to step up the pace of research immediately. Your support truly has helped bring us closer to our goal of ending MS.

Everyone at the MS Center joins us in expressing our deep appreciation for your interest in the Center and your support of its work.

Sincerely,

Judith Van Pelt
