Dear Richard,

On behalf of St. Elizabeth Ann Seton Regional School, we would like to express our gratitude to you for your participation in our Goods & Services Auction. The dedication of your time to our school function was greatly appreciated. Your professionalism, good spirit and sense of humor were contagious and caused many people to be involved and greatly enjoy the auction process.

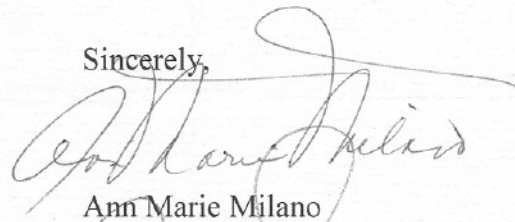

The evening was a great success and raised \$19,000 for our school. For a parochial school that functions without the benefit of tax dollars these funds are necessary.

The students of St. Elizabeth Ann Seton will receive the full benefit of the auction proceeds.

We hope to be able to call on you in the future of our school functions.

Once again, thank you for your support to St. Elizabeth Ann Seton Regional School. It was our pleasure to work with you.

Sincerely,

Ann Marie Milano
